Checklist – Minor Subdivision Plat

UDO Section 9.10 - Application for Minor Subdivision Plat: Electronic copies of the primary and final plats and the civil plans, together with supporting documents, shall be submitted to the Dept. of Community Services' Planning/Zoning Division with this application.

NEW: As of January 1, 2019, electronic-only submittals are accepted. **Initially, only this filled out application needs to be emailed to DOCS Staff.** Afterwards, plans are to be submitted electronically through ProjectDox, Carmel's ePlan review software. Please see the Electronic Plan Review handout for more information on the process and what needs to be submitted.

Plans are to be distributed to all Technical Advisory Committee (TAC) Members by the applicant, by the filing deadline as well.

*** All documents must be legible***

A. ELECTRONIC COPY OF PLAT* TO ILLUSTRATE:

- _____ 1. Name of subdivision
- _____ 2. Words "Minor Subdivision Plat"
- _____ 3. Date of submission or latest revision
- _____ 4. Plat drawn 50' = 1" scale, and with north arrow
- _____ 5. Names, addresses, phone numbers: Owner, subdivider, surveyor
- _____ 6. Registered surveyor's signature, seal and date
- _____ 7. Accurate tract boundary lines: Show dimensions, angles, bearings
- _____ 8. Source of title of ownership and legal description
- _____ 9. Streets and rights-of-way (existing and proposed)
 - a. Locations
 - b. Names
 - c. Widths
- _____ 10. Complete curve notes
- _____ 11. Dimensions of land to be dedicated or reserved
- _____ 12. Monuments and markers (location, type, material, size)
- _____ 13. Easements (location, widths, use)
- _____ 14. Building setback lines
- _____ 15. Legends and notes
- _____ 16. Registered land surveyor's certificate
- _____ 17. Certification of dedication of streets and public property, if applicable
- _____ 18. Certificate of approval by Commission (opening page)
- _____ 19. Certificate of acceptance by Board of Public Works (or County Commissioners)
- _____ 20. Restrictions or covenants
 - a. Fences in detention/retention areas
 - b. Lighting - dusk to dawn lights
 - c. Maintenance of common areas
- _____ 21. Location Map
- _____ 22. Space for the Docket Number(s)
- _____ 23. Present zoning classification & overlay zone

B. ELECTRONIC COPIES OF SUPPORTING DATA TO BE PROVIDED.

- _____ 1. Letters of approval submitted by the following:
 - a. Hamilton County Surveyor
 - b. Hamilton County Highway Department
 - c. Hamilton County Soil & Water Conservation District
 - d. Carmel City Engineer
 - e. Fire Chief - Carmel Fire Department
 - f. Carmel City Utilities Department

- _____ 2. Certification of Notification
 - a. Police and Sheriff

- _____ 8. Proposed parking plan and/or shared driveway plan
- _____ 9. Plans, profiles, cross-sections and specifications
- _____ 10. Proposed cut and fill map

D. ELECTRONIC COPY OF FINANCIAL PERFORMANCE AND MAINTENANCE GUARANTEES

- _____ 1. Written statement of commitment

Process - Minor Subdivision Plat

1. The first step is e-mailing the completed Minor Subdivision Plat application to Planning Staff. **NEW:** As of January 1, 2019, electronic-only submittals are accepted. **Initially, only this filled out application needs to be emailed to DOCS.** Then, you will be invited to submit plans electronically through ProjectDox, Carmel's ePlan review software. Please see the Electronic Plan Review handout for more information on the process and what needs to be submitted. Plans are to be distributed to all Technical Advisory Committee (TAC) Members by the applicant, by the filing deadline as well, as receipt preferences are listed out on the TAC Members list. Please see the Plan Commission timeline/calendar for TAC filing and distribution dates and deadlines.
2. TAC members will review the petition and send the petitioner review comments. TAC meeting attendance is not required. The petitioner will work further with each TAC member, individually, to resolve any outstanding issues.
3. Petitioner obtains adjoining list of all property owners within a 660 foot radius of the subject property (or 2 properties deep, whichever is less) from the Hamilton Co. Real Property Dept. (Noblesville).
4. Petitioner pays the filing fee and prepares/submits 9 information packets for the Plat Committee, no later than 10 days prior to the meeting (same day the meeting agenda is set). The following is a list of items that should be included in each **info packet**: Cover Page, Brief Description of the project, Location Map, Legible plans of: subdivision plat, landscape plan, utility plan, etc., site plan laid over aerial photo of property, Findings of Fact, and any other supporting information.
5. Minor Subdivision Plat items appear before the Plan Commission's Plat Committee for review and approval, during a meeting open to the public (public meeting).
6. If the Plat is approved by the Committee, then the petitioner must send out approval notification letters to the neighbors on the adjoining property owners list and also let them know about the appeals process.
7. After the appeals period is up, the Final Plat process continues for review and approval of the Final Plat drawings, as well as the issuance of the Letter of Grant by the Planning Dept..
8. Once all outstanding issues are resolved, one Mylar copy and one electronic copy of the final plat are submitted to the Planning/Zoning Dept. for the final review, where the Planning Director signs the plat. (The land surveyor and property owners must sign the plat before the Director.)
9. Also, the staff cannot present a Secondary Plat to the Director for signature until Ms. Terry Krueskamp (tkrueskamp@carmel.in.gov) in Information Systems Dept. has received an electronic file of the subdivision plat (MicroStation .dgn file type is preferred, or AutoCad .dwg) through ProjectDox.
10. The Planning/Zoning Dept. will forward the signed plat to the Carmel Engineering Dept. for the plat to be placed on an agenda of the Carmel Board of Public Works & Safety, for their approval and signatures.) However, it is the Petitioner's responsibility to contact that department to get on a BPW meeting agenda, which has a filing deadline. The Engineering Dept's number is 317-571-2441.
11. After the BPW approves/signs the mylar (which might take a few days after that meeting to get all the signatures), the Carmel Clerk-Treasurer's Office holds the signed plat. The petitioner should pick up the signed mylar from that office and take it to the Hamilton Co. Recorder's Office in downtown Noblesville to get it recorded and get copies of the recorded plat. *Please note that the Recorder's Office preferred plat size is no larger than 15.5" x 17", and their max. size allowed is 18" x 24".*
12. Lastly, the Planning Dept. needs 1 paper copy and 1 electronic copy of the scanned and Recorded plat.

**If you have any questions or if we may be of assistance,
please contact the Planning/Zoning Dept. at (317) 571-2417 or www.carmeldocs.com.**

ADJOINING PROPERTY OWNER LIST

I, _____, Auditor of Hamilton County, Indiana, certify that the attached affidavit is a true and complete listing of the property owners within 660 feet or two (2) property depths, whichever is less, as relating to Docket No. _____.
