DESIGN STANDARDS WAIVER
FINDINGS OF FACT
CARMEL PLAN COMMISSION
Carmel, Indiana

Docket No: _____

Petitioner: _____

Unified Development Ordinance Section Varied from: _____

Brief Description of Waiver: _____

In deciding whether or not the applicant has presented sufficient proof to permit the granting of a waiver, the Plan Commission should consider the following:

- The granting of the Design Standard Waiver will not be detrimental to public safety, health, or welfare, or otherwise be injurious to other property.
- The conditions upon which the request for a Design Standard Waiver is based are unique to the property for which the Design Standard Waiver is sought and are not applicable generally to other property.
- Because of unique circumstances, a particular hardship or practical difficulty would result if the strict letter of these regulations is carried out. Financial hardship, inconvenience or difficulty shall not constitute grounds for a Design Standard Waiver.
- The Design Standard Waiver shall not in any manner subvert the provisions of *Article 5: Development Standards*, the *Carmel Clay Comprehensive Plan*, particularly the Bike and Pedestrian Plan..

_____ Based on all the evidence presented by the petitioner, I approve of the requested design standards waiver.

_____ I hereby disapprove of the design standards waiver request for the following reasons:

1. _____

2. _____

3. _____

Dated this _____ day of _____, 20____.

Commission Member

Primary Plat Approval Process

The following is a chronological listing of the steps required for processing a primary plat:

1. Initial discussion with staff regarding applicable zoning ordinances, design standards, condition/capacity of infrastructure, and availability of utilities.
2. Developer presents plat for review by staff. All documents must be legible and of the required size and scale.
3. Developer emails application and uploads electronic plans required to be placed on the Plan Commission docket.
4. Submit plans to TAC (Technical Advisory Committee members) for their review.
5. Administrative review by the Department of Community Services staff.
6. The Technical Advisory Committee reviews the plan and offers review comments.
7. Petitioner obtains list of all property owners within a 660 foot radius of the subject property from the Hamilton County Mapping and Transfers Office (in Noblesville).
8. Petitioner prepares legal notices for property owner notification and newspaper advertisement.
9. Petitioner submits newspaper advertisement to a locality newspaper that circulates within the City (**Current in Carmel and refer to Public Notice Requirements on the Plan Commission Calendar**) at least 21 days prior to the public hearing.
10. Petitioner mails notice (first class mail with certificate of mailing) to all property owners lying within 660 feet of the subject property, or a depth of two property ownerships, whichever is less, at least 21 days prior to the public hearing and places public hearing sign on his/her site.
11. Petitioner prepares information packets for the Plan Commission, to be submitted no later than noon 10 days prior to the first docketed hearing. The following is a list of items that should be included in each packet:
 1. Cover Page
 2. Brief Description of the project
 3. Location Map
 4. Legible plans: primary plat or replat, landscape plan
 5. Site plan laid over aerial view of property
 6. Any other supporting information
12. Fee to be paid 10 days prior to meeting date.
13. Plan Commission Agenda is posted. Staff reports are released 5 days prior to meeting.
14. Plan Commission holds public hearing and gathers information from public.
15. The Plan Commission refers project to the Residential Committee for further review.
16. The Residential Committee will forward the project to the full Plan Commission with a recommendation. Upon return, the Plan Commission will either approve/deny at this time.
17. The next step is to file the Secondary Plat (final plat) application. This is an administrative review/approval process, along with review/approval by the Carmel BPW (Board of Public Works & Safety), for the secondary plat that will ultimately be recorded.

Plan Commission Public Notice Sign Procedure:

The petitioner shall incur the cost of the purchasing, placing, and removing the sign. The sign must be placed in a highly visible and legible location from the road on the property that is involved with the public hearing.

The public notice sign shall meet the following requirements:

1. Must be placed on the subject property no less than 21 days prior to the public hearing
2. The sign must follow the sign design requirements:
 - Sign must be 24" x 36" – vertical
 - Sign must be double sided
 - Sign must be composed of weather resistant material, such as corrugated plastic or laminated poster board
 - The sign must be mounted in a heavy-duty metal frame
3. The sign must contain the following:
 - 12" x 24" PMS 288 Blue box with white text at the top.
 - White background with black text below.
 - Text used in example to the right, with Application type and Date* of subject public hearing
 - * The Date should be written in day, month, and date format. *Example: "Tues., January 17"*
4. The sign must be removed within 72 hours of the Public Hearing conclusion

Public Notice Sign Placement Affidavit:

I (We) _____ do hereby certify that placement of the notice public sign to consider Docket Number _____, was placed on the subject property at least twenty-one (21) days prior to the date of the public hearing at the address listed below:
