

MEMORANDUM

RE: August 15, 2016 Council Meeting Agenda Add-On Items

DATE: August 10, 2016

Dear Council Members:

I would appreciate the approval of you, my fellow Council members, to add the attached ordinances to the agenda for the Council meeting this coming Monday, August 15, 2016. The ordinances are: D-2308-16, D-2309-16, D-2310-16, D-2311-16, D-2312-16, D-2313-16, D-2314-16, D-2315-16, and D-2316-16.

These ordinances, which are in the nature of “house-keeping” ordinances, amend the Carmel City Code to accurately reflect current speed limits, stop and yield intersections, and automated traffic signals on City streets. It is imperative to have these code sections updated as soon as possible to enable the Carmel Police Department to cite violations under the appropriate local ordinance.

I would appreciate your consideration in adding these items to the agenda.

Sincerely,

Ronald E. Carter
