

CITY of CARMEL

JAMES BRAINARD, MAYOR

Demolition Approval Checklist

Demolitions within the City of Carmel typically require the following approvals, in the form of a written disconnect letter or receipt, before a demolition permit will be issued. For commercial demolitions and residential demolitions of clusters of (3 or more) homes, an asbestos remediation report may also be required.

If you have any questions, call the Building & Code Services office at (317) 571-2444 or email Nick Mishler at nmishler@carmel.in.gov.
