

CYCLISTS DO

- ▶ Share the road
- ▶ Yield to pedestrians and give an audible signal when safely passing
- ▶ Obey traffic signals on all streets, multi-use paths, trails, and green ways (stop at all intersections unless signage indicates differently)
- ▶ Use appropriate hand signals when turning or stopping

CYCLISTS DON'T

- ▶ Run through stop signs
- ▶ Pass stopped vehicles lined up at a stop light or stop sign, unless in a designated bike lane
- ▶ Ride more than two cyclists next to each other when riding with others

CARMEL BIKE ORDINANCES

Learn the basic Do's & Don'ts that apply to drivers and cyclists.

Read about traffic laws and the responsibilities of motor vehicle operators' interaction with cyclists.

DRIVERS DO

- ▶ Share the road
- ▶ Exercise caution when passing bicyclists on the roadway
- ▶ Pass at least three feet away from cyclists

DRIVERS DON'T

- ▶ Turn in front of cyclists
- ▶ Park or drive on sidewalks, multi-use paths, bike lanes, trails, or greenways
- ▶ Open a vehicle door in front of cyclists especially on bike routes and bike lanes

PEDESTRIANS DO

- ▶ Cross safely at all intersections
- ▶ Be aware of surroundings when on sidewalks, multi-use paths, trails, and greenways (low or no volume on headphones)
- ▶ Keep pets on a leash that is of six feet or less
